Animated portfolio
10 photoreal renders
Video walkthrough
Lead alerts + CRM
Self-updating portfolio

₹24,999/-

International studio rate **\$799**

One-time. Ideal if you need a professional presence quickly.

Signature Website

A premium animated portfolio that turns visitors into enquiries

EVERYTHING IN ESSENTIAL, PLUS

- Animated hero, your best project as the opening frame
- Portfolio with custom animations, up to 12 project pages
- 10 old renders made photorealistic, shown with before / after sliders **worth ₹15,000**
- About section with live statistics, written testimonials, Instagram feed
- Cinematic video walkthrough of your best project on the home page
- WhatsApp click-to-chat button on every page
- Enquiry automation: every lead alerted to your WhatsApp and email instantly, logged in a Google Sheet CRM, and the enquirer gets an instant acknowledgement with your portfolio PDF
- Self-updating portfolio: drop photos and a note into a Google Drive folder and the project page goes live on its own, no designer needed **saves hours every month**
- Basic SEO, Google Business Profile and Google Maps listing
- Google Analytics with a monthly visitor report for 3 months
- Hosting, SSL and domain setup done for you on your own accounts (DNS, go-live)
- 3 rounds of revisions

₹49,999/-

International studio rate **\$1,499**

One-time. Domain and hosting purchased by you, set up by us. Renders beyond 10 chargeable per render.

+ ₹50,000 adds
Leads on autopilot
Lead funnel + quiz
WhatsApp + email follow-ups
Pre-call lead brief
Client portal
Review + referral engine

Growth Engine Website

A sales system for the studio, not just a website

EVERYTHING IN SIGNATURE, PLUS

BRING ENQUIRIES IN

- Lead funnel with a custom lead magnet ("10 things to decide before you build")
- "Find your home style" quiz: a 2-minute shareable quiz that captures the lead and their taste
- Lead capture link for Instagram bio, stories and WhatsApp status
- Advanced SEO: local search, schema, speed, Google Business Profile

CONVERT THEM

- Multi-step WhatsApp and email follow-up sequence over the first 7 days after an enquiry
- Calendly booking, plus a researched brief on the lead sent to your WhatsApp before every call **small monthly running cost**
- Design brief questionnaire: the client fills it before the first meeting, you receive a PDF brief
- Project cost and timeline estimator that turns visitors into enquiries
- Instant enquiry assistant on the website, answers project questions 24/7

KEEP CLIENTS AND WIN THE NEXT ONE

- Private client portal: every client gets a link to their renders, videos and drawings
- Client testimonial videos and walkthroughs for 3 more projects
- Google review request sent automatically at handover, with a QR standee for the site office
- Referral link for past clients: each gets a personal link, and any enquiry through it shows who referred them
- 4 rounds of revisions

₹99,999/-

International studio rate **\$2,999**

One-time build. Positioned to pay for itself with the first project it brings in.

1 revision included. Animations, motion graphics and render upgrades are chargeable separately.

3 revisions included. Additional photoreal renders billed per render. Major structural changes chargeable.

4 revisions included. Automations run on your own accounts. The pre-call lead brief and enquiry assistant carry a small monthly running cost, quoted separately.
